YOU'LL NEED A T-SHIRT PLUS SEWING MACHINE, THREAD, SCISSORS, IRON, RULER, AND MARKER OR CHALK.
THE EXAMPLE BELOW IS FOR A 16" TALL BONDANO (FOR BEARD SAFETY)
MOST PEOPLE WILL BE FINE WITH 10" TO 14" HEIGHT.

NOTES:

- TO MAKE A TALL 16" BONDANO TO COVER YOUR BEARD, YOU'LL NEED TWO T-SHIRTS.
- CUT WITH SCISSORS, DON'T RIP T-SHIRTS--THE KNIT IS USUALLY SKEWED.
- DON'T USE T-SHIRT HEMS. THEY'RE HEAVY AND HARD TO SEW
- USE PINS. KNITS SLIDE AROUND WHILE SEWING.
- ALL SEAM ALLOWANCES ARE 1/2"

----- MEASURE & CUT -----

1. BONDANO BASE

- CUT OFF THE T-SHIRT HEM.
- MEASURE 10" TO 16" UP FROM HEM. THIS IS THE BONDANO HEIGHT.
- DRAW LINE ACROSS THE T-SHIRT & CUT. (THIS EXAMPLE MEASURED 16")
- CUT ALONG ONE SIDE

2. BONDANO IMAGE

- CUT OUT YOUR T-SHIRT IMAGE USING THE BONDANO HEIGHT, BETWEEN 6" AND 12" WIDE.
- IF YOU'RE MAKING THE 16" TALL BONDANO, YOU'LL CUT THIS FROM YOUR 2ND T-SHIRT.

SEW

3. PIN AND MARK

- PIN YOUR BONDANO IMAGE TO THE CENTER OF YOUR UNFOLDED BONDANO BASE

- DIVIDE EACH SIDE SECTION INTO FOUR SECTIONS BY DRAWING HORIZONTAL LINES

4. SEW IMAGE AND CREATE TIES

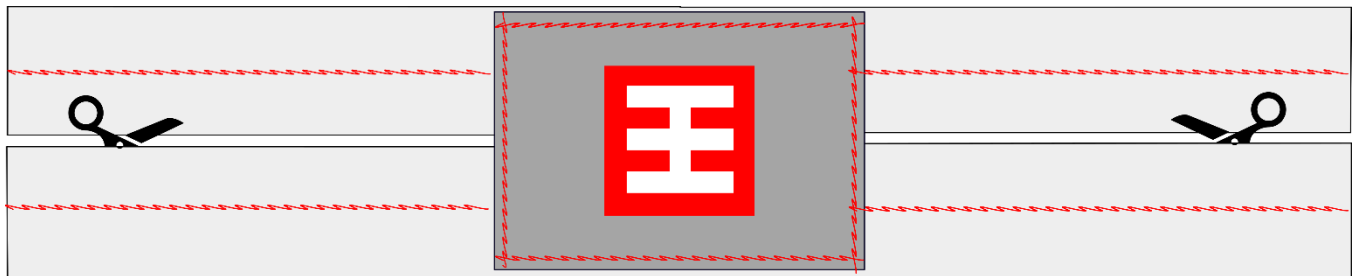

- SELECT A STRETCH STITCH ON YOUR MACHINE. HAVE AN EXTRA BOBBIN READY, THE STRETCH STITCH USES ABOUT 3X MORE THREAD THAN A STRAIGHT STITCH.

- SEW AROUND THE BONDANO IMAGE, 1/2" FROM THE EDGE.

- ON EACH SIDE, SEW A STRETCH STITCH DOWN THE TOP AND BOTTOM LINES, FOR STABILITY.
- THEN ON EACH SIDE, CUT ALONG THE MIDDLE LINE TO CREATE TIES.

AND YOU'RE DONE!

WE'D LOVE TO SEE PICS OF YOUR BONDANO! SEND THEM TO
